

## Free Translation Service for Church Notices

If you need help with a short translation (up to 60 words) for church adverts (e.g. parenting groups, children's clubs, English Classes, etc) please contact us.

Currently we can offer translations into Bulgarian, French, Hindi, Polish, Russian, Portuguese and Spanish.

We hope to have more languages available soon.

If you speak another language and would like to volunteer as a translator please contact us.
